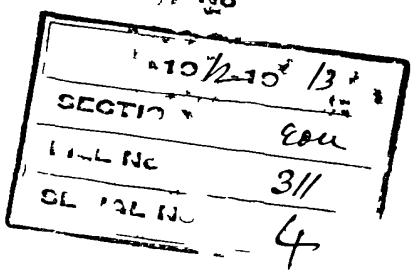
OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 13585 / 751 Enc 1

Bangalore 26th May 1913

DIARY No 7408



From M Shama Rao Esq M A
Offg *Inspector General of Education in Mysore*

To C S Balasundaram Iyer Esq B A
Secretary to the Government of His Highness the
Maharaja of Mysore Departments of Education &c

Sir

I have the honour to inform you that the authorities of the S R Nanjundayya's Anglo-Vernacular School Sultanpet Bangalore have applied for enhancing their school grant from Rs 75/- which they are now getting to Rs 225/- per mensem to enable them to raise their school to the status of a High School by opening the IV Form in the month of June this year, and the V and VI Forms during the two succeeding years This school is the biggest Anglo-Vernacular School in the State with a strength of more than 700 students and is likely to thrive as a High School

2 According to the estimate submitted by the President of the School the additional recurring expenditure proposed to be incurred by the school amounts to Rs 350 per mensem made up of the following items -

1	Head Master or	Rs 100
1	Science Assistant	70
1	Mathematics Assistant	70
1	Sanskrit Munshi	25
1	Kannada Munshi	25
1	Sloyd Instructor	45
2	Peons	15
	Total	Rs 350 per mensem

The amount of fees expected to be realised amounts to Rs 80 per mensem for a class of 40 boys

The conversion of this school into a High School not only removes much of the congestion of pupils in the Government High School Bangalore, especially in the IV form, but obviates the necessity of maintaining more divisions of the same class in the latter This is all the more important now as we may have to introduce additional optional subjects in the Government High School under the Secondary School Leaving Certificate Scheme and this entails the employment of additional teachers The classes in the London Mission and the Wesleyan Mission High Schools are also full, indicating the need for an additional High School in the Bangalore City

Under these circumstances and considering that the authorities of the Sultanpet Anglo-Vernacular School propose to open only the IV form to start with, I recommend that Government may be pleased to enhance their grant from Rs 75 to Rs.175 per mensem with effect from 1st July 1913 I append for the information of Government a comparative statement of receipts and expenditure in all the aided High Schools in Mysore for the years 1910-11 and 1911-12, from which it will appear that the grant now recommended is an equitable one

I have the honour to be,

Sir,

Your most obedient servant,

Govt observe that the school is held in three different places, i.e. two rented buildings in Sultanpet and the old municipal Sayarkatte in Siddikatte. Unless the managers of the School can procure a better building, the Govt are not in favour of recognising it as a High School or for giving it an enhanced grant. If the School is improved in respect of its housing and equipment the question of a larger grant will be considered.

They would however be prepared to Consider the question of a larger grant
